Other important information

There is no investment or savings component to your Policy which means that when your Policy ends, you are not entitled to any of the premiums you have paid.

The total amount of premiums payable over the life of the Policy has the potential to exceed the cover amount.

If your premium remains unpaid for more than one month from when it is due, your Policy will be cancelled. Prior to cancelling your Policy, we will notify you in writing before taking steps to end your Policy due to non-payment. If you are suffering from financial hardship, we may be able to assist you to keep your Policy. Please contact us to discuss your options. Note, we may seek evidence to verify any hardship.

How your beneficiaries can make a claim

Beneficiaries can lodge a claim by contacting us on **0800 400 290** (Monday to Friday between 8am and 8pm). There will be some forms to fill out and documents that we need access to, but our friendly claims team will assist beneficiaries through this process. For more information on claiming, please refer to our website at nzseniors.co.nz

What can be done to help ensure any claim is assessed quickly and smoothly

There are a number of things that can be done to assist us in ensuring a claim is assessed quickly:

- Lodge your claim as soon as possible;
- Appoint a beneficiary under the Policy – this ensures we have someone who we can immediately discuss the claim with;
- Inform your beneficiary of the Policy – this will ensure the beneficiary knows to contact us when the time comes;
- Consider appointing a trusted third-party authority – particularly as you age, you may need help in managing your affairs and having an additional authority significantly reduces the likelihood that you will miss payments on your Policy; and
- Make a will – as part of the process of making a will, you will need to appoint a legal executor who can ensure we can access all the relevant documentation we need to approve a claim.

If you do not nominate a beneficiary, benefits will be available to your estate or a personal representative that is legally entitled to make a claim on your Policy. By nominating a beneficiary, benefits can be paid directly into the beneficiary’s bank account in a far timelier manner.
